## INTRODUCTION

---

Peter has had more than 30 years' experience in most aspects of heritage conservation, working in consultancy firms, government organisations and as a heritage site manager.

Peter specialises in the provision of strategic input into the development and management of heritage buildings and places. Peter has also participated in many cases at the Land and Environment Court as an expert witness.

Prior to establishing Romey.Knaggs Heritage in 2016, Peter was for eight years a Partner at GML Heritage. Between 1999 and 2006 he was the Director of Conservation and Infrastructure at the Port Arthur Historic Site in Tasmania. He has also held senior heritage posts at the City of Sydney, the NSW Heritage Branch and as an architect in private practice.
